About Me

Front-end developer with proven experience in HTML, CSS, JavaScript and React. Capable of continuous learning from senior developers. Passionate about learning and development with a desire to apply skills. Eager to tackle more complex problems and continue to find ways to maximize user efficiency.

Experience

Letzpay Solution Private Limited

Internship: Aug-10-2023 - Present

- Specialized in frontend development using React, HTML, CSS, and JavaScript during tenure at a payment gateway company.
- Played a pivotal role in handling UI components and seamlessly integrating API responses into the frontend.

- Collaborated closely with backend teams to ensure smooth communication between frontend and backend systems.

Skills :

- HTML
- CSS
- JAVASCRIPT
- BOOTSTRAP
- REACT
- TAILWIND
- SCSS
- SQL
- JQUERY
- RESPONSIVE DESIGNS

Projects

1) Domestic Money transfer

- The DMT (Domestic Money Transfer) project facilitates seamless money transfers within domestic regions.
- It includes five user types: admin, super admin, distributor, super distributor, and retailer.
- It provides a user-friendly solution for secure and reliable domestic money transfers.
- The platform ensures efficient management and execution of transactions.

Modules

- User Setup
- Reportings
- Wallet transfer
- Manage Account
- My Account
- Recharge & bills
- Top Up Request

2) School Management System:

- Developed user authentication and authorization features to support five different user types: Super Admin, School Admin, Teacher, Student, and Parent.
- Integrated features for Super Admins to manage multiple schools, including user management, school profile settings, and access control.
- Integrated payment gateways to facilitate secure online fee payments, ensuring encryption and compliance with industry standards.
- The platform ensures efficient management and execution of transactions.

Modules

- Add School
- Add Bulk Student
- Student List
- Fees
- Login
- Payment Link

Education : BCA | IGNOU | 2022

Academic Excellence in Web Development.
